

Region VII Medical Emergency Response Team
Training/Education

Mandatory Training: Domestic Preparedness Course
(this course information can be accessed at www.imert.org)

New Mandatory Trainings: On-Line thru FEMA

Incident Command: introduction to ICS IS-100 & FEMA Basic IC IS-200

These two courses provide a comprehensive introduction to ICS if a member has not already taken prior ICS courses:

<http://www.training.fema.gov/EMIWeb/IS/is100.asp>

<http://www.training.fema.gov/EMIWeb/IS/is200.asp>

National Incident Management System IS-700

This self study course provides a general overview of the National Incident Management System.

<http://www.training.fema.gov/EMIWeb/IS/is700.asp>

It is recommended that all teams members take the following courses:

CDLS (Core Disaster Life Support)
BDLS (Basic Disaster Life Support)
ADLS (Advance Disaster Life Support)

IRTB - Incident Response to Terrorist Bombings
PRSBI - Prevention and Response to Suicide Bombing Events
(Both are New Mexico Tech/DHS Courses)

Radiological/Nuclear Awareness Course
-CTOS (Nevada/DHS Program)

(please email me for further information on these courses.....classes are only scheduled several times a year.)

Members should receive a certificate upon completion of an on-line course, a copy of which must be sent to me for our records.

If you have already participated in any or all of these courses, please send your certificates to me.

If you have any questions please feel free to contact me.
